

The English Riviera

Torbay has much to offer - there really is something for everyone.

Here are just a few suggestions:
Cockington Village, The fishing port of Brixham,
Babbacombe Downs, Torquay Harbour,
The Model Village, Kents Cavern, Torre Abbey,
Painnton Zoo, Boat Trips, Theatres ...

... and don't forget Dartmoor National Park is just minutes away.

How to find us ...

Take the M5 to Exeter, continue on to A38.

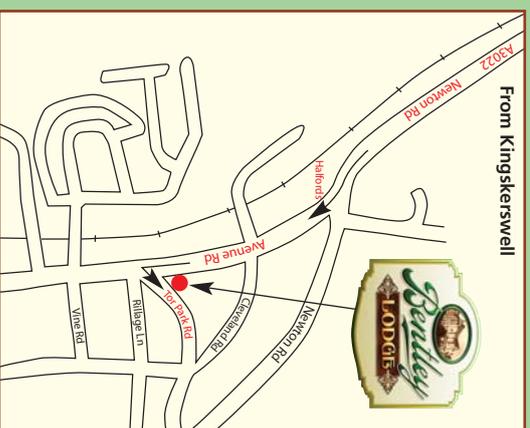

After approx. 3 miles, fork left onto A380 signposted Torbay. After approx. 9 miles of dual carriageway you will come to 'Penn Inn' traffic lights/roundabout on the outskirts of Newton Abbot.

Carry straight on A380 through the village of Kingskerswell.

At the next roundabout, keep straight on A3022 passing Sainsburys on your left. At the next set of traffic lights, carry straight on keeping to the left-hand lane.

You will go through two sets of traffic lights, after which you need to be in the right-hand lane.

At the next set of traffic lights (Halfords on your right), fork right into Avenue Road. After approx. 100 yards you should see our sign on the left, turn sharp left into Tor Park Road – you have arrived.
